* As an individual election proposal, each candidate runs alone, i.e. all votes cast directly for him/her count.

** As part of a list election proposal, all persons on the list collect votes together. The seats allocated to the list proposal are then allocated to the candidates with the highest number of votes within the list. Seats are allocated by the Sainte-Laguë maximum number procedure. The first-named candidate of a list election proposal is entitled to represent the election proposal to the electoral organs (election manager, election committee) and to receive declarations and decisions of the electoral organs in accordance with § 9 para. 3 WahlO; the second named candidate is their representative.
